Responsibilities of a Sponsor

Applications should be mailed one month before the weekend.

Before the Cursillo:

1. Candidates shall be adult Roman Catholics in good standing.
2. "Talk to God about your candidate before you talk to your candidate about God."
3. A sponsor should be actively participating in Group Reunion, and know that the mission of Cursillo is evangelization.
4. A sponsor needs to have known his/her candidate on a personal one-to-one basis for some time.
5. Because this is not a secret society or initiation weekend, please inform the candidate about the weekend: explain the silent retreat, the talks, the table discussions and posters. Please answer all questions.
6. Tell the candidate about the evangelistic purpose of the movement, and the follow-up commitments of Group Reunion and Ultreya.
7. Both husband and wife should be informed about Cursillo. It is not recommended that only one marriage partner become involved in Cursillo. If possible, submit applications together for both husband and wife.
8. Advise the candidate that a donation is recommended but not required.
9. The sponsor should have a potential group reunion for the candidate. The sponsor may invite the candidate to Group Reunion and Ultreya before the weekend.
10. Have the candidate fill out (print legibly) his/her section of the application. Complete the sponsor's section. Submit the application to the candidate's pastor or pastoral administrator to complete. The sponsor should mail in the application.
11. Be in regular contact with the candidate prior to the weekend. Confirm his/her attendance after the sponsor-letter is received. Notify the pre-Cursillo section as early as possible should the candidate decide not to attend.

During the Cursillo Weekend:

1. Provide palanca (prayer and sacrifice, spiritual bouquets from the sponsor and family.)
2. Provide transportation to and from the Cursillo site and attend Closura (closing ceremonies).
3. Assist your candidate's family during the weekend and help in whatever manner they require.

After the Cursillo:

1. Find the new Cursillista a Group Reunion. (Ultreyas are a good place to attend a Group Reunion.)
2. Bring the new Cursillista to at least four Ultreyas following the weekend.
3. Attend the Fourth Day Program with the new Cursillista. Usually scheduled two weeks after the last in a pair of weekends.
4. Continue to maintain close contact after the weekend (be a friend). Encourage the new Cursillista to persevere in the Fourth Day.
